Resolved, that the usual vote of thanks be presented to this church and vicinity, for their liberality in sustaining the delegates and visiting friends.

REPORT OF COMMITTEE ON THE STATE OF RELIGION.

THE Committee on the state of religion beg leave to report, that the letters from the Churches represent them to be in peace and prosperity. They have enjoyed preaching once a month, which seems to have been blessed of God. Nearly all the churches have enjoyed some refreshing seasons from the presence of the Lord. Additions have been made to almost all, by baptism, and in many, extensive revivals have prevailed. Probably, at no time in our history as an Association, has the state of our churches been more prosperous. Let us not become exalted, but remember the source from whence our happiness has flowed. Let us continue to rely upon God's grace and invoke his aid from on high.

Respectfully submitted,

N. L. CLARKE, CHAIRMAN.

Report of Missionary Board, to the Mount Pisgah Association.

Beloved Brethren,

Your Board of Domestic Missions are truly thankful to God that they are permitted to present to you their annual report.

After the adjournment of your body, we proceeded to appoint Elders N. L. Clarke and J. D. Abney, as missionaries to labor, each, one half their time, who accepted the appointment. Brother Abney, however, afterwards resigned, and has not rendered any service. Brother Clarke has entered upon the duty assigned, and we are much gratified to be able to communicate to you that his labors have been greatly blessed, for which we have every reason to be thankful to God, and should call

orth from us renewed exertions in the cause of truth; to spread abroad the gospel of Christ throughout our beloved Zion, until all shall be blessed with his preached word. He has been faithful in his labors and great good, with the divine blessing attending the same, has been accomplished. He has visited and supplied a number of destitute points, where he has dispensed the word of life. Many persons have professed an interest in Christ, with a free remission of their sins, and have united themselves to the church. The scattered children of the Lord, who had been deprived of the public ministry of the word, have been supplied, and we humbly trust God's name declaratively glorified.

By reference to his report, we learn that he has devoted 140 days in your service, delivered 159 sermons, 41 persons baptised, (a few of which were baptised by other ministers at Brother Clarke's stations,) received fifteen by letter; constituted five churches; (two of which have concluded to join other associations) ordained four Deacons with the assistance of other brethren; travelled 1737 miles, besides other labors, such as exhortations, discourses at the water side, visits for religious conversation; distributed bibles, tracts, and other religious books.

At the meeting of the Board at Mill Creek in July, we appointed Brother I. R. Bass to fill the vacancy occasioned by the resignation of Brother Abney, as a missionary; he has also been faithful in his labors, and has devoted 31 days in your service, delivered 28 sermons, 15 exhortations; made many visits for religious conversation; travelled 382 miles.

From the encouraging success which has attended missionary labor, the destitution that yet prevails in your territory, and also in view of the obligation which rests upon the church of Christ, to aid in sending the gospel to every living creature, we trust will induce you to continue faithful ministers in the field, for another year, and that you will double your diligence, humbly relying upon the great head of the church, invoking his blessings upon the labors of all his servants.

May God bless you in all your labors of love to promote his cause upon earth.

Respectfully submitted,

J. M. CHAMBERS, SECRETARY.

Appendix E.

REPORT OF COMMITTEE ON PETITIONS AND REQUESTS.

The Committee on petitions and requests having had the same under consideration, would recommend, 1st. That the request from Pleasant Grove Church for a letter of dismission be granted.

2d. That the request from the Providence Church, for the next session of the Association, to be held with her, be referred to delegates from the first district.

Respectfully submitted,

J. D. ABNEY, CHAIRMAN.

Appendix F.

The following is the Abstract of Faith, Gospel Order, Objects and Powers, and Rules of Decorum, adopted at this session for this Association, in the place of the old ones.

Brother N. L. Clarke was appointed to deliver the annual sermon and J. M. Chambers, alternate.

Resolved, that we now adjourn.

J. M. CHAMBERS, Secretary. L. P. MERRIL, President.

REPORT OF THE BOARD OF MANAGERS.

To the members and friends of the Mt. Pisgah Bible Society.

Your Board of Managers would respectfully present the fifth annual report. We have been engaged during the past year in bible distribution, and endeavoring to carry out the objects of your Society. We feel encouraged in this department of christian duty and love to our fellow men. We have no doubt but that great good has been effected, through the circulation and distribution of the oracles of God by your body. When we reflect upon the object of the sacred scriptures, that they reveal God's true character, our character and duty to ourselves, to the human family, and above all to him as our creator, preserver, redeemer and savior, that through this channel alone, the glorious light of the gospel shines through the manifestation of God our Savior, in the flesh, and also that the word is the sword of the Spirit, should we not be vigilant and active in the dissemination of the scriptures, not only in our own bounds, but also assist by our prayers and contributions, in distributing the same to every human being upon earth. Let us, brethren, cast our bread upon the waters. Ask the divine blessing upon it, that the true light of revelation may more brilliantly shine upon Adam's ruined and fallen race to all the ends of the earth. This work in connection with the preaching of the gospel, should entirely absorb the attention of the whole christian church. At the same time that our blessed Savior enjoined it upon his ministers to preach the gospel to every creature, it has also directly become the duty of the church to disseminate the Holy Scriptures to every human being, whether Jew or Gentile. May you become more active in this great work, and not only in aiding it at home, but also assist by your prayers and contributions in this blessed cause to all the earth.

You are referred for further particulars to the account current of your Depository Agent.

Respectfully submitted,

J. M. CHAMBERS, Secretary.
